to celebrate the true meaning  
of Christmas...

## ***Have you made your Christmas Pudding?***

Come and enjoy a Family Sunday Morning  
Worship with a difference on **26th November**.  
We will discover the challenge of Stirring up  
both ourselves and a Christmas Pudding!

***Enjoy singing?*** Wrap up warm for a special  
time of caroling on Thursday evening  
**14th December**, where you will find the chapel  
bathed in the glow of candlelight and good  
cheer, with refreshments afterwards in the hall.  
Come along and meet friends old and new.

Sing to your heart's content with traditional  
and beautiful carols on **17th December** at our  
family carol service.

**Christmas Eve** - always a magical time, and  
this year we have an extra treat in store for you  
with a **Children's Crib Service at 4pm**. Packed  
with children's carols and activities for all the  
family and friends, and wrapping up with hot  
chocolate and mince pies!

**Christmas Morning** - a short informal family
