

Ride the Circuit for NCH – Action for Children

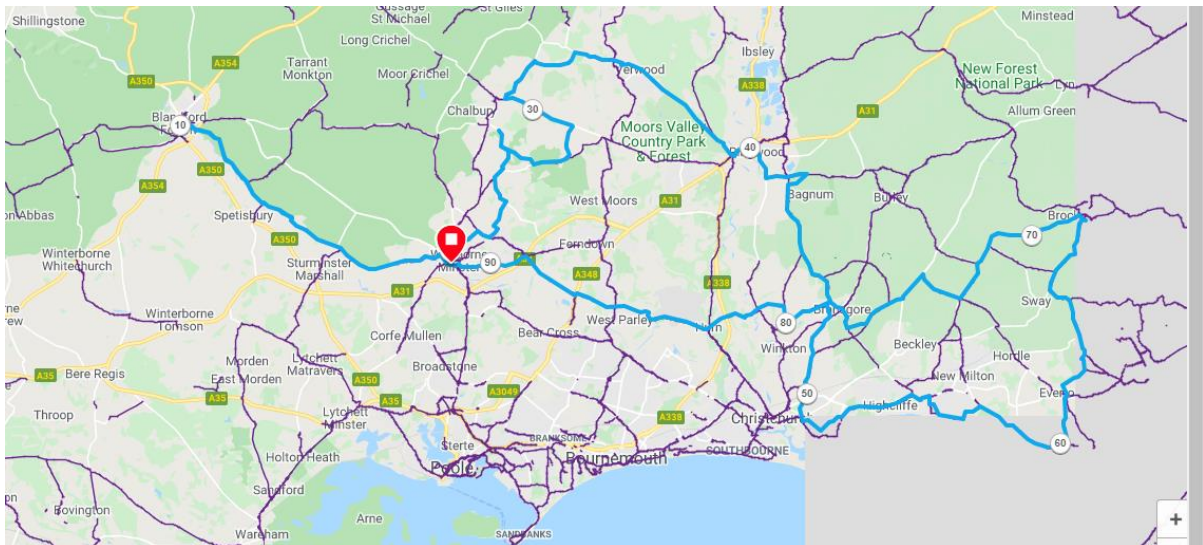

Many of us will be aware that during the pandemic, many charities have suffered enormous reductions in their funding streams. As we make progress out of lockdown, opportunities to redress this situation will present themselves and we will find ways to offer our support again.

Richard Crispin is undertaking a challenge to cycle around the Christchurch and Wimborne Circuit, a distance of 91 miles. The ride is planned for Saturday 10th July 2021, the day before Action for Children Sunday.

There is an invitation to support his initiative by:

- Joining Richard for all, or any section of the ride.
- Ride the Circuit, or part of it, from your own starting point and raise sponsorship.
- Sponsor Richard, or any participating rider either, by the mile, by the number of churches visited, or just a straight donation.

Richard's planned routes is:

Richard's start (8AM) and finish will be at Wimborne Methodist Church and churches will be visited in the following order:

Wimborne, Blandford Forum, Colehill, Holt Wood, Horton Heath, Woodlands, Verwood, Ringwood, Crow Hill, Bransgore, Mudeford Lane, Highcliffe, Barton on Sea, Milford on Sea, Brockenhurst and back to Wimborne.

If you would like to participate or require any further details, please contact Richard by email at: richardcrispin@yahoo.co.uk

A JustGiving page has been set up to receive sponsorship and donations at:

www.justgiving.com/fundraising/RideCandWMCforActionforChildren

NB. This is an open road event. Riders are wholly responsible for their own behaviour and safety. No liability will be accepted by the organiser in the event of any accident or dispute between riders and other road users.
