

Warming Up For Christmas

FPZ Quiz

On **SATURDAY 27th NOVEMBER 2021, starting at 7.30pm**, you are warmly invited to join our virtual Quiz from the comfort of your own home. **Via ZOOM**, you will face 6 rounds of differing subjects, with 10 questions in each round. This event is **in aid of the FPZ autumn SHOE appeal – all donations will go towards the cost of the shipment of the shoes to Zambia.**

What do you have to do to take part?

- Think of a team name – no more than 6 adults in a team, children can also take part.
- Make a donation to <https://www.justgiving.com/fundraising/fpzchristmasquiz> We ask that each team donates a minimum of £5.
- Once you have donated and your team is organised, please email trustees@futurepillarszambia.org.uk and provide us with your team's name & phone number. We will contact you closer to the time with all the details required to have a fun evening whilst having your grey cells challenged! Christmas is often a time for families to test each other's knowledge, playing games. Practise for that annual challenge by WARMING UP with us.
- Assemble your team from family and friends, adhering strictly to the COVID restrictions that will apply to you on the date of the Quiz – yes, this is still an evolving situation. We suggest that, where possible, your team has a range of ages and interests.
- Ensure you have 2 electronic devices for the evening - 1 to access the Quiz and 1 to send in your scores at the end of each round.
